

MAKE Fundraising FUN!

A Project/Class based Fundraising Event that is...

We want to shed a little light on how we can assist in the often dreaded and sometimes "thankless" job of planning for and delivering fundraising activities!

Craft House are specialists in arts and craft supplies - and we are proud of our unique education programme offering creative projects and classes for all levels of experience and inclination.

We want to offer you something DIFFERENT - the opportunity to join us to experience activities especially chosen to be INSPIRATIONAL... PRACTICAL and above all... FUN!

Scrapbooking, Cardmaking, Altered Art and much more... we have the expertise, resources and facilities to ensure that there is something to be enjoyed by all participants - with often practical and creative skills to be gained!

A Fundraising evening with Craft House can raise several hundred dollars - and with little or no work or effort by the Fundraising Committee and its Members.

So... THIS year... why not plan a Fundraiser with us!! Ask for more information or request a presentation and introduction at your next Fundraising Committee Meeting...

We ensure your success and... yes... you will definitely be THANKED!
